CONSENT FOR TELEHEALTH CONSULTATION

1. I understand that my health care provider wishes me to engage in a telehealth consultation.
2. My health care provider explained to me how the video conferencing technology that will be used to affect such a consultation will not be the same as a direct client/health care provider visit due to the fact that I will not be in the same room as my provider.
3. I understand that a telehealth consultation has potential benefits including easier access to care and the convenience of meeting from a location of my choosing.
4. I understand there are potential risks to this technology, including interruptions, unauthorized access, and technical difficulties. I understand that my health care provider or I can discontinue the telehealth consult/visit if it is felt that the videoconferencing connections are not adequate for the situation.
5. I have had a direct conversation with my provider, during which I had the opportunity to ask questions in regard to this procedure. My questions have been answered and the risks, benefits and any practical alternatives have been discussed with me in a language in which I understand.
6. I understand that while utilizing this telehealth platform, it is up to me to maintain confidentiality by finding a quiet and confidential space to complete the videoconference.
7. I understand I will not be seen, and will be subject to late cancel charges, if I am actively driving or otherwise engaged in an activity or situation that breaks confidentiality and has potential safety risks (for example, grocery shopping, surrounded by family members, next to a coworker, etc.)

3. The Telehealth by SimplePractice Service facilitates videoconferencing and is not responsible for the delivery of any healthcare, medical advice or care.
4. I do not assume that my provider has access to any or all of the technical information in the Telehealth by SimplePractice Service – or that such information is current, accurate or up-to-date. I will not rely on my health care provider to have any of this information in the Telehealth by SimplePractice Service.

5. To maintain confidentiality, I will not share my telehealth appointment link with anyone unauthorized to attend the appointment.
